

To the medical community

January 8, 2021

We inform the medical community that we have received reports of a possible falsification of the product Midazolam in a 15 mg / 3 mL vial of PiSA® Farmacéutica. Follow-up is being carried out and the pertinent investigation will be carried out by the corresponding authorities. For information on PiSA® Farmacéutica products, the medical community is invited to contact us through the email atencionpisa@pisa.com.mx
